

THE ETC SCHOOL OF MUSICAL ARTS
Performer Contract for Membership
New Generation Chorus

Member Name: _____

Tuition

The ETC School of the Musical Arts is a non-profit organization and as such is responsible for all of its expenses. It is not affiliated with any other organization and receives only minimal support from corporations and foundations. In addition to concert fees and a portion of its fundraiser revenues, about 60% of the budget is derived from student tuition. Tuition will be a **non-refundable \$100** payable in full by February 1.

Costume

A costume logo shirt will be purchased for each member with the money paid to the organization for the tuition fee. Shoes and personal clothing items shall be the responsibility of each individual performer. Costume logo shirts are to be used solely for ETC performances during the season and become the property of the member at the end of the season. The Musical Director approves all costume decisions for the New Generation Chorus. Any replacement expenses for lost or damaged costume logo shirts will be at the member's expense.

Travel

The New Generation Chorus members may be presented with a travel opportunity to a competition event to participate with the Main Street Singers. The Main Street Singers Parent Booster Committee, Directors, and/or Board of Trustees may present plans during the performance season which may require additional non-contracted funds from the members/families for travel expenses. The details of the plans and expenses will be presented to the members/families upon which a majority decision in favor of the plans will cause the additional expenses to be assessed to each member who is participating. Members/families choosing to not incur additional expenses may opt out of those aspects of the program affected by the additional expenses. Notification to opt out must be made in writing by the date determined by the Main Street Singers Parent Booster Committee to allow for adequate planning. Personal expenses on trips are the responsibility of each ETC member.

Special Events (Fall Show, Spring Gala, etc.)

ETC will produce 2-3 special events with the purpose of:

- offering our members the opportunity to present a full spectrum of their work for the season. A large audience of family, friends, and community make for a great deal of positive feedback for work well done.
- providing ETC with a certain amount of financial gain toward its overall financial needs.

The New Generation member's family is not obligated by contract to purchase a minimum number of tickets. The family is encouraged to support their member and the organization by attending the shows.

I have read this contract and fully understand the provisions of membership in The ETC School of Musical Arts New Generation Chorus. I agree to fulfill the requirements and financial obligation stated in this contract. In a case of joint custody, the parent signing this contract will bear full responsibility for its requirements and financial obligation.
